

LitePack Energy Efficient Full Cutoff WallPack

TT5-DLWP

1-Lamp 42W
WallPack Fixtures

FEATURES & BENEFITS

- **The TT5-DLWP** is a high-performance, compact fluorescent wall pack utilizing 42-Watt amalgam lamps.
- **The TT5-DLWP** wall pack is used for parking areas, perimeter lighting, entrances, walkways, landscaping, signage and more.
- **The TT5-DLWP** replaces 35-Watt to 100-Watt fixtures and is available in white, bronze or black body colors.
- **The TT5-DLWP** is an energy-efficient floodlight wallpack designed to save on energy costs.

SPECIFICATIONS

The TT5-DLWP has a one-piece heavy duty, die-cast aluminum body with a silicone gasket weather seal. The TT5-DLWP also has a vandal resistant, injection molded clear polycarbonate top cover with clear polycarbonate lens.

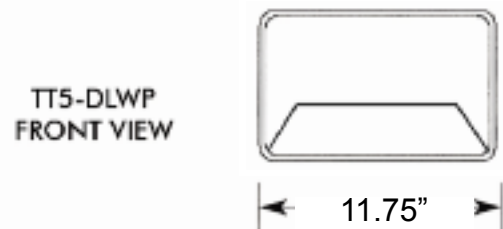

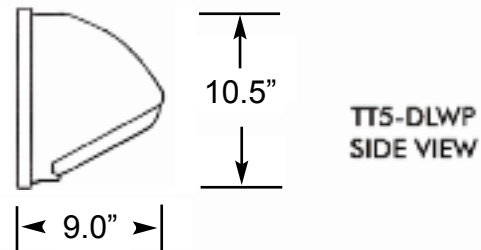

The TT5-DLWP is a full cutoff fixture with no light emitted above zero degrees. Horizontal rear housing has chromate conversion coating and textured finish, top cover is color-matched and is hinged for easy re-lamping.

The design of the DLWP enables simple installation.
